

Product information sheet CHOICE Icona

Item no. 527894

Benefits

- Gourmet water - delivers filtered water that can be chilled, sparkling or boiling hot, beside the standard cold and hot tap water
- Select the exact amount of filtered water via the measurement dial for added convenience and minimises water wastage
- Separate outlet for enhanced water – no mixture with mains water
- Flexible spring hose with dual selectable spray patterns and precise magnetic holder for comprehensive kitchen tap functionality in prep and clean workflows
- Needs to be installed with CHOICE.All water conditioning unit

Colours

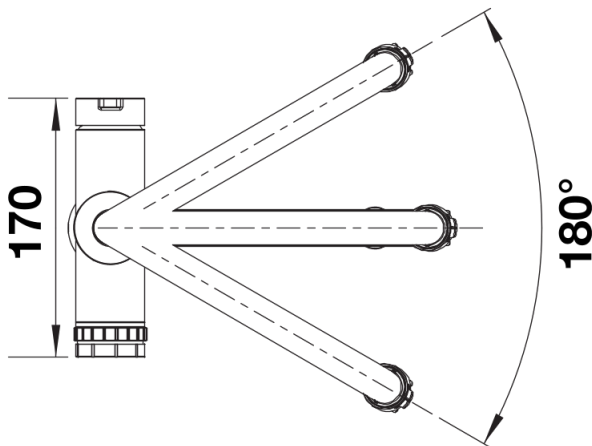

solid stainless steel

Available colours:
stainless steel

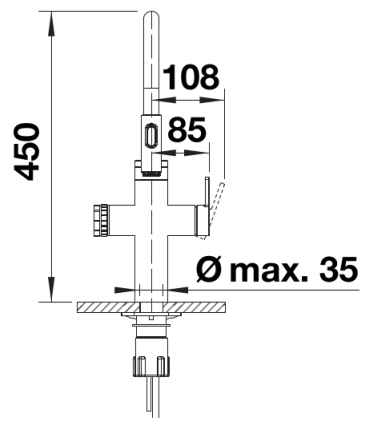

Scope of supply

- 6-in-1 semi-professional tap tap for standard cold and hot, filtered chilled still, medium, sparkling or boiling hot water
- Click and Touch: Selection of predefined conditioned water volume thanks to the scaling wheel and intuitive touch control
- Safety concept for secure handling of boiling water
- Reversible bi-directional two-jet shower for mixed water with magnetic holder
- 180° swivel spout for mixed water and refined water
- Material: stainless steel
- Ø 35 mm tap hole required
- With ceramic disk cartridge
- Patented jet regulator for markedly reduced scaling
- Flexible connector pipes, 700 mm long and ½" nut
- Stabilising plate to increase the stability of the tap when fitted in stainless steel sinks
- With non-return valve and thus guaranteed against reflux in accordance with EN 1717
