

Product information sheet LUNEOO-S

Item no. 527975

Benefits

- A tap like no other, blending design, style and functionality
- Moveable, flexible hose for regular water with jet spray option for cleaning fruit and vegetables
- Separate, easy to operate knob user interface for selecting the water temperature and flow rate
- Spout swivels 360° to provide a large working radius, great for positioning on kitchen islands
- Pair with a OOVALON sink for an extraordinary BLANCO UNIT

Colours

Available colours:

satin dark steel

satin platinum

satin gold

PVD satin dark steel

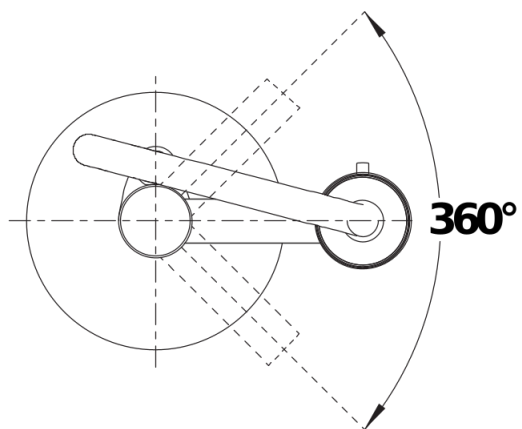

Planning information

- Not suitable for the installation on sinks and bowls with a tap ledge. The tap can be installed on a standard worktop depth of 650mm, however a worktop depth of 700mm is recommended. Please follow the installation instructions for the cut-outs for the control and tap carefully, as these are not in line with each other.

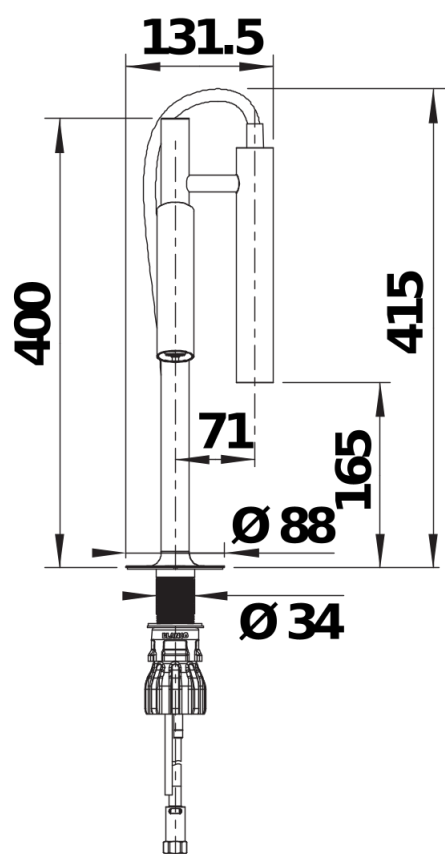

Scope of supply

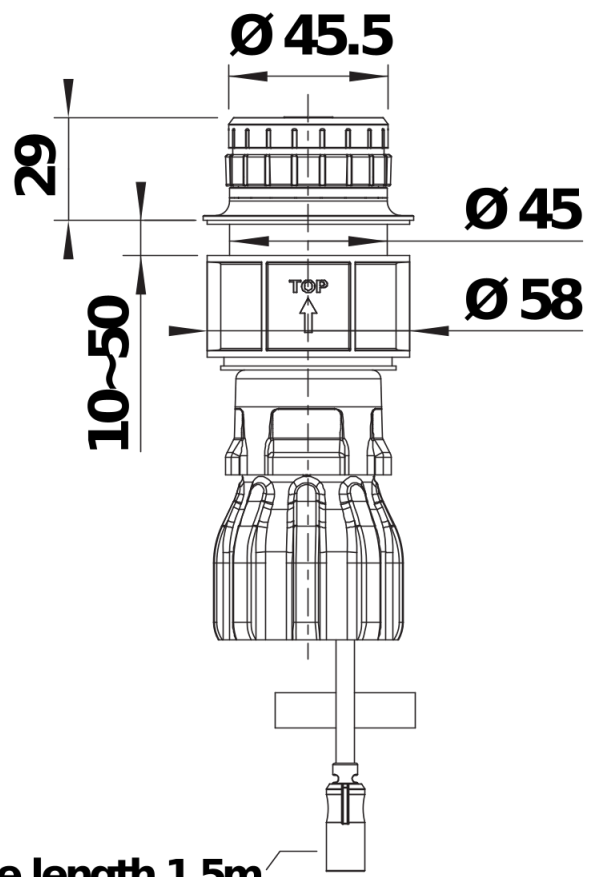

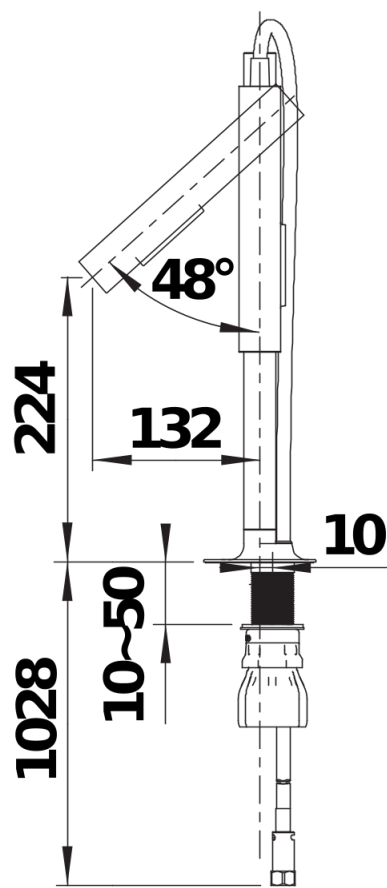

- Electrical connection to 230V
- Battery backup and batteries included
- With electronic control and valve box
- 1-2 x 35 mm Ø tap holes and 55 mm Ø tap holes required for tap and tap control
- Easy and fast professional installation with BLANCO Lock
- Flexible connector pipes, 700 mm long and 3/8" nut
- Requires balanced high pressure supply only, minimum 1.0 bar
