

# CARE AND CLEANING

## **KITCHEN OR BAR FAUCET**

The Blanco faucet that you have just purchased has been created with craftsmanship and modern technology to give you a lifetime of beauty and service. To care for your faucet, wipe with a clean, soft, damp cloth and blot dry as often as possible. Occasionally, apply a non-abrasive polish to prevent water deposits and remove build-up of household soaps, creams, and sprays to all finishes. NEVER use abrasive cleaners or pads, or chemical cleaners of any kind (including window cleaner) on any product with a protective coating or custom finish. Such cleaners will attack the protective coating and use will void the finish warranty.
